("AAA" or the "Company")

Mombasa Port Site Visit

Following the announcement on 31 December 2019 regarding the update on the proposed acquisition of the Comarco group of companies ("**Comarco Group**"), the Company is pleased to announce that it will be conducting site visits to Mombasa, Kenya with a number of potential debt and equity investors in mid-January.

Discussions are ongoing with numerous groups at both the public equity and asset level to determine the most beneficial structure and investment partner/s. The Board will keep shareholders apprised of developments in the weeks ahead.
